**a Journey of Celebration**

This is a special journey that has been created for women who have experienced or been touched by breast cancer. Each person's experience, how they dealt with it and processed it differ. Karen Goudge, the creator of Spa Travel knows the feeling; she was diagnosed two years ago. Through out this time, she has taken her self on journeys to spa health retreats and fundraising efforts.

So, this journey of celebration is for you. If you need to take time to reward yourself after treatment, to acknowledge the change in your life or simply to be grateful for the wonderful life you do have....come and join us, take on experiences you may not have had the chance to experience before or simply allow yourself the time to rejuvenate.
